HIGHLIGHTS & DESCRIPTION

Top pheasant and duck shoot in Hungary - i...

Overview

Hungary is one of the best destinations in the world for well-organized pheasant and duck hunts. Through our own man in Hungary, Attila, we have gained access to a first class area where groups of 6-10 hunters can shoot up to 800 pheasants or 300 ducks in a single day with accommodation in a first class hunting lodge with genuine hunting atmosphere.

The area was "discovered" many years ago by pheasant hunters from England, and has been tested several times by English pheasant hunters. Our partner has undertaken professionally organized pheasant and duck hunts for more than 20 years, and we can promise a particularly exciting forest terrain with shots of various degrees of difficulty, so that all shooters will be challenged. The price per hunter is including 300 pheasants for the group.

During the breaks between shoots, there is a buffet wagon available for the hunters. And the price includes full board in the cozy hunting lodge. There are 10 rooms available for our hunters.

You can, of course, buy cartridges and rent guns on the premises. Please state the caliber if you bring your own weapon, so that the area can provide ample ammunition!

HUNTING AREA

Hunting Area - Bird Hunt in Hungary

The more than 65,000 hectare area is located in northern Hungary, just over 1 hour's drive from Budapest airport. Approx. 4000 ha of the area is very hilly woodland, and was designated many years ago by English pheasant hunters as being the optimal biotope for pheasant hunting of the highest quality.

Our partner has held pheasant hunts in this area for the past 22 years, and each year breeds approx. 80,000 pheasants, some of which are exported to e.g. Ireland. Bags of up to 1,000 pheasants per day can be ordered, as well as 500 ducks per day.

The hunts are carried out very professionally with a permanent release of a large number of birds, which are tried to be kept in the area with ample feeding. As a result of the early release and the adaptation to the local conditions, the pheasants behave almost like wild birds. Depending on the wishes for the number of birds in the bag, additional releases can be made.

About us

Limpopo & Diana Hunting Tours

Limpopo & Diana Hunting Tours Limpopo Travel and Diana Hunting Tours – which today are one and the same company - are built on more than four decades of experience in the hunting travel industry. Diana Hunting tours was founded in Svendborg back in 1974 by the internationally known figure in the hunting tour industry, Jan Krossteig, who today remains shareholder and chairman of the concern.

Over the years the company has grown into the world's largest hunting travel office, with hunting partners in more than 40 counties and customers from around the world. This has only been possible because of the strength of our customers faith in our company, our partners and the service we provide. We take great pride in the fact that a significant number of our customers are "regulars" you not only travel with us frequently, but also bring with then new customers into our business.

The hunting travel market has never been as chaotic as it is at present. There have always been a mass of smalland medium sized agencies trading on the market, but in recent years the rise of the internet has really opened up the market for direct booking and packages sold by "agents" of more or less transparent character and by agencies based abroad.

A large number of hunters have had their fingers burnt booking "cheap" packages, which rarely proceed as promised, Generally it is only when things go wrong that the unfortunate hunter who bought the tour first realises what the difference between a good Danish travel agency - with all the security that entails -and a questionable foreign seller, really is.

What we offer our customers is a rather unique level of security. Our experienced staff really know our destinations and can provide highly qualified advice tailored to the customer's individual requirements. If you book your hunting tour through us you also have a guarantee against the unlikely event of bankruptcy through the Danish Travel Guarantee Fund. Our long standing membership of the Danish Travel Agency Association is also a guarantee for professional service throughout all the proceedings that a hunting tour entails - also in the event of something not going quite as planned. As one of our customers you can expect around the clock support, via our emergency hotline, in the event of anything at all going wrong.
