**Accommodation - Slovakia**

Hunters will stay in a nearby hotel or guesthouse, in rooms with en-suite bathroom and toilet. There is a restaurant in the hotel where you can buy your meals. There is also a cosy bar. In some of the hotels we use there are also luxurious wellness facilities, which are at your disposal during your stay. If you would prepare more private surroundings, some of the districts can, on payment of a supplement offer accommodation in a hunting lodge close to the hunting district. Lodges are normally located in the forest, and are suitable for groups of between 4 to 12 hunters.

When staying at a hotel you must arrange your own meals during the day, giving you an excellent chance to sample some of the delicious local Slovakian dishes. The cost of a standard meal is between €5 - €10. Breakfast is included in the price.

If you choose to stay in a hunting lodge in the forest, there will typically be a private cook at your service during your stay. You should not expect gourmet meals, but good solid food that will satisfy even the most hungry hunter.

## HUNTING AREA

# Hunting Districts in Slovakia

Our Slovakian hunts for red stags, fallow buck, mouflon, roebuck, wild boar and hinds are generally arranged with private districts/hunting clubs, which range in size between 2,000 and 10,000 hectares. Depending on the size of the district's and game you wish to hunt for, you can change district from day to day, so the hunt matches the wishes of the client. There is a good chance of finding a strong trophy.

Slovakia has strong hunting traditions and they take pride in the hunting and game management. This is why Slovakia is renowned for its large game populations, of all the most commonly hunted European species.

You will also be hunting in magnificent countryside, with hilly and mountainous areas that are broken up by large forests and areas of farmland - the ideal terrain for driven hunts as well as deer and mouflon hunts.

# About us

## Limpopo & Diana Hunting Tours

Limpopo & Diana Hunting Tours Limpopo Travel and Diana Hunting Tours – which today are one and the same company - are built on more than four decades of experience in the hunting travel industry. Diana Hunting tours was founded in Svendborg back in 1974 by the internationally known figure in the hunting tour industry, Jan Krössteig, who today remains shareholder and chairman of the concern.

Over the years the company has grown into the world’s largest hunting travel office, with hunting partners in more than 40 counties and customers from around the world. This has only been possible because of the strength of our customers faith in our company, our partners and the service we provide. We take great pride in the fact that a significant number of our customers are “regulars” you not only travel with us frequently, but also bring with then new customers into our business.

The hunting travel market has never been as chaotic as it is at present. There have always been a mass of smalland medium sized agencies trading on the market, but in recent years the rise of the internet has really opened up the market for direct booking and packages sold by “agents” of more or less transparent character and by agencies based abroad.

A large number of hunters have had their fingers burnt booking “cheap” packages, which rarely proceed as promised, Generally it is only when things go wrong that the unfortunate hunter who bought the tour first realises what the difference between a good Danish travel agency - with all the security that entails -and a questionable foreign seller, really is.

What we offer our customers is a rather unique level of security. Our experienced staff really know our destinations and can provide highly qualified advice tailored to the customer’s individual requirements. If you book your hunting tour through us you also have a guarantee against the unlikely event of bankruptcy through the Danish Travel Guarantee Fund. Our long standing membership of the Danish Travel Agency Association is also a guarantee for professional service throughout all the proceedings that a hunting tour entails - also in the event of something not going quite as planned. As one of our customers you can expect around the clock support, via our emergency hotline, in the event of anything at all going wrong.
