HIGHLIGHTS & DESCRIPTION

Macnab Challenge in Scotland

Overview

For something completely new, we have decided to revive the traditional Macnab Challenge in Scotland. We have entered into a new, exciting collaboration with an estate in the stunning Royal Deeside in Aberdeenshire. First one fishes for salmon in the River Dee, then hunt for a red deer and shoot grouse in the highlands. Completing a Macnab is the ultimate challenge for a hunter in Scotland - one that really will put all your skills to the test!

The story behind the Macnab

The Macnab Challenge is based the novel 'John Macnab' written in 1925 by John Buchan. In the story of three bored friends decide to challenge three Highland estates - that under the common name of John Macnab, will remove a salmon or a red stag from them before returning it undetected.

The modern Macnab Challenge is to catch a salmon, shoot a brace of grouse and a highland deer between sunrise and sunset in one day. We can offer a complete package including staying in one of the estate properties, a professional fishing guide and fishing tackle, hunting guide and dog handlers, in fact everything you need to give you the best chance of success.

Season

The challenge can take place from the end of August to the middle of September.

Naturally we cannot give any guarantees of success, and you run the risk of not succeeding for one reason or another, but these are the terms of the challenge. But what we can offer is the best framework and conditions for it to succeed, if you are willing to work for it. It is the perfect tour for those hunters who appreciate a challenge!

Program

Day 1: Arrival in Edinburgh or Aberdeen airport. Pick up your hire car and drive to your hotel in Royal Deeside

Day 2: The challenge starts with fishing for salmon in the famous River Dee. On the first day you will be met by your professional fishing guide, who has prepared the fishing equipment, waders etc (the Luxury Package) For those who need it, the fishing will start with a couple of hours of casting instruction, that will give you a few tips and tricks to help you master the technique of using a fly rod. When, or if, you are lucky enough to land a salmon you will immediately be picked up by a gamekeeper from the estate who will take you up into the highlands where you will try for grouse before standing dogs. Here you must shoot 2 grouse to continue the challenge. When you have shot your "brace of grouse", you continue by hunting for red deer until the last light of day.

Day 3: Repeat of day 2 if you have not completed the challenge.

Day 4: A day to relax, but it will be possible to book an extra day fishing, if you haven't been lucky enough to complete the challenge on days 2 or 3.

Day 5: Departure from the hotel after breakfast and drive to the airport for your flight home.

One can choose between 2 different packages:

- Standard package, where you bring along your own

fishing tackle.

- Luxury package, on hire of all fishing equipment is included

Trophy fees for red stag and grouse will be charged if you succeed in shooting them. They will be billed on the final invoice after you have returned home.

About us

i

Limpopo & Diana Hunting Tours

Limpopo & Diana Hunting Tours Limpopo Travel and Diana Hunting Tours – which today are one and the same company - are built on more than four decades of experience in the hunting travel industry. Diana Hunting tours was founded in Svendborg back in 1974 by the internationally known figure in the hunting tour industry, Jan Krössteig, who today remains shareholder and chairman of the concern.

Over the years the company has grown into the world's largest hunting travel office, with hunting partners in more than 40 counties and customers from around the world. This has only been possible because of the strength of our customers faith in our company, our partners and the service we provide. We take great pride in the fact that a significant number of our customers are "regulars" you not only travel with us frequently, but also bring with then new customers into our business.

The hunting travel market has never been as chaotic as it is at present. There have always been a mass of smalland medium sized agencies trading on the market, but in recent years the rise of the internet has really opened up the market for direct booking and packages sold by "agents" of more or less transparent character and by agencies based abroad.

A large number of hunters have had their fingers burnt booking "cheap" packages, which rarely proceed as promised, Generally it is only when things go wrong that the unfortunate hunter who bought the tour first realises what the difference between a good Danish travel agency - with all the security that entails -and a questionable foreign seller, really is.

What we offer our customers is a rather unique level of security. Our experienced staff really know our destinations and can provide highly qualified advice tailored to the customer's individual requirements. If you book your hunting tour through us you also have a guarantee against the unlikely event of bankruptcy through the Danish Travel Guarantee Fund. Our long standing membership of the Danish Travel Agency Association is also a guarantee for professional service throughout all the proceedings that a hunting tour entails - also in the event of something not going quite as planned. As one of our customers you can expect around the clock support, via our emergency hotline, in the event of anything at all going wrong.
