HIGHLIGHTS & DESCRIPTION

Hind hunt in Cairngorm

Overview

Fantastic highland hunting in the Cairngorm Mountains in beautiful central Scotland. The region is known as one of the most picturesque in Scotland. Hunting takes place on various estates, typically consisting of highlands with heather and open expanses.

The estates boast a healthy population of red deer, and the hunting organization is of high caliber. At the same time, one can enjoy hunting in a wonderful natural setting during the autumn and winter.

There is free shooting of hinds and calves. The expected yield is 1-3 hinds per day per hunter, but this will naturally depend on the hunters' physical condition and shooting skills.

Hunting Season

October 21 - February 15

We have prime hunting grounds in this area, and some are more physically challenging than others, but in the highlands, one should never expect results to come easily. The estates boast excellent populations of red deer, and hunting takes place in a marvelous natural setting. The hunting organization is highly professional, and the guides are very competent.

A typical hunting day starts with hunters meeting their experienced stalker (hunting guide) on the estate, usually around 9:00 in the morning. Here, hunters will be asked to test-fire their rifles to ensure they are zeroed in correctly

before the hunt begins.

The experienced stalker will guide the hunters throughout the entire hunt, knowing where to find the red deer based on wind and weather conditions.

Once the red deer are located, the stalker will point out a hind or calf for shooting, and the initial stalk begins. After the game is taken down, it is transported down the terrain using an appropriate off-road vehicle or one of the estate's highland ponies.

ACCOMMODATION Bed & breakfast or hotel

In the area you either stay at guesthouses (B&B) with the classic scottish atmosphere or cosy hunting lodges in the beautiful nature. The lodges are of high standard and a chef can be arranged to do the cooking. You can also choose a more moderate hunting cabin and cook for yourself.

At the hotels in Scotland you can always get classic scotch cooking and cosy atmosphere, and many of the places are really historical. If you choose the classic scotch breakfast table, you won't be hungry again until the afternoon. Nearly all hotels have wife.

All options of accommodation are close to the hunting areas.

HUNTING AREA Cairngorm

The hunting area is located in the Cairngorm mountains in the heart of Scotland.

The stalking takes place on various estates most of which are within a 20 minute drive of Kingussie. All red deer are completely wild and are located on open moorland and mountainous terrain. The challenge of stalking over various types of terrain to achieve the final goal of having a stag within your sights lures many guests to us year after year.

The terrain can be extremely steep and very challenging, but all hunts can be tailored according to the hunters physical abilities and wishes.

A Typical Day

You will be met by your stalker, usually around 0900 hours.

Upon commencement of the hunt you will be accompanied at all times by an experienced stalker and occasionally a ghille.

When the deer are located your stalker will select a stag that, in his opinion, is suitable to be culled. At this point you and your stalker begin your final approach, this will usually involve crawling on the ground in order to avoid detection by the stag.

Equipment

- Good hiking boots
- Waterproof hunting jacket (lightweight)
- Waterproof hunting pants
- Small day-backpack
- Good binoculars

About us

Limpopo & Diana Hunting Tours

Limpopo & Diana Hunting Tours Limpopo Travel and Diana Hunting Tours – which today are one and the same company - are built on more than four decades of experience in the hunting travel industry. Diana Hunting tours was founded in Svendborg back in 1974 by the internationally known figure in the hunting tour industry, Jan Krössteig, who today remains shareholder and chairman of the concern.

Over the years the company has grown into the world's largest hunting travel office, with hunting partners in more than 40 counties and customers from around the world. This has only been possible because of the strength of our customers faith in our company, our partners and the service we provide. We take great pride in the fact that a significant number of our customers are "regulars" you not only travel with us frequently, but also bring with then new customers into our business.

The hunting travel market has never been as chaotic as it is at present. There have always been a mass of smalland medium sized agencies trading on the market, but in recent years the rise of the internet has really opened up the market for direct booking and packages sold by "agents" of more or less transparent character and by agencies based abroad.

A large number of hunters have had their fingers burnt booking "cheap" packages, which rarely proceed as promised, Generally it is only when things go wrong that the unfortunate hunter who bought the tour first realises what the difference between a good Danish travel agency - with all the security that entails -and a questionable foreign seller, really is.

What we offer our customers is a rather unique level of security. Our experienced staff really know our destinations and can provide highly qualified advice tailored to the customer's individual requirements. If you book your hunting tour through us you also have a guarantee against the unlikely event of bankruptcy through the Danish Travel Guarantee Fund. Our long standing membership of the Danish Travel Agency Association is also a guarantee for professional service throughout all the proceedings that a hunting tour entails - also in the event of something not going quite as planned. As one of our customers you can expect around the clock support, via our emergency hotline, in the event of anything at all going wrong.
