ACCOMMODATION Camps Kazakhstan

Normally the first and final nights are spent in a base camp, which often consists of yurts/gers, hunting cabins or tents. These camps have no modern facilities, but it is possible to take a shower. Generally they are clean, pleasant and warm. These camps will also have both a cook and interpreter. During the hunt itself you will live very simply in a small tent, and occasionally in caves.

All meals are included, the food is simple but usually tasty and nourishing. Again during the hunt itself, meals are very simple, and it can be a good idea to bring some freeze-dried meals and some energy bars from home

Asien er generelt et mekka for bjergjægere og jægere i det hele taget, der ønsker sig mere end en jagtoplevelse. Den barske utilgængelighed har sørget for, at store dele af områderne aldrig er blevet tæt befolket uden for de store byer, og af samme årsag finder man stærke bestande af alle de naturligt hjemmehørende arter.

Stalker Group tilbyder forskellige arter såsom Ibex, Tur, Marco Polo, Markhor, den ikoniske Tian Shan Maral og Sibirisk råbuk som alle byder på intens og udfordrende jagt i bjergene. Mulighederne er mange - så kontakt os og hør hvilke muligheder vi kan tilbyde dig.

About us

Limpopo & Diana Hunting Tours

Limpopo & Diana Hunting Tours Limpopo Travel and Diana Hunting Tours – which today are one and the same company - are built on more than four decades of experience in the hunting travel industry. Diana Hunting tours was founded in Svendborg back in 1974 by the internationally known figure in the hunting tour industry, Jan Krossteig, who today remains shareholder and chairman of the concern.

Over the years the company has grown into the world's largest hunting travel office, with hunting partners in more than 40 countries and customers from around the world. This has only been possible because of the strength of our customers faith in our company, our partners and the service we provide. We take great pride in the fact that a significant number of our customers are "regulars" you not only travel with us frequently, but also bring with them new customers into our business.

The hunting travel market has never been as chaotic as it is at present. There have always been a mass of small and medium sized agencies trading on the market, but in recent years the rise of the internet has really opened up the market for direct booking and packages sold by "agents" of more or less transparent character and by agencies based abroad.

A large number of hunters have had their fingers burnt booking "cheap" packages, which rarely proceed as promised. Generally it is only when things go wrong that the unfortunate hunter who bought the tour first realises what the difference between a good Danish travel agency - with all the security that entails - and a questionable foreign seller, really is.

What we offer our customers is a rather unique level of security. Our experienced staff really know our destinations and can provide highly qualified advice tailored to the customer's individual requirements. If you book your hunting tour through us you also have a guarantee against the unlikely event of bankruptcy through the Danish Travel Guarantee Fund. Our long standing membership of the Danish Travel Agency Association is also a guarantee for professional service throughout all the proceedings that a hunting tour entails - also in the event of something not going quite as planned. As one of our customers you can expect around the clock support, via our emergency hotline, in the event of anything at all going wrong.
