Trophy Price List (EURO) - possibly subject to changes 2024, info in February

The final settlement per hunter depends on the bag achieved by the group per day.

A large set-up is set in motion with lots of dogs, drivers, hunters and vehicles, so these driven hunts are only carried out with groups of a minimum of 12 hunters, and the settlement is always made for 12 hunters. If, before the hunt, illness or cancellation of hunters occurs, so that the group becomes smaller than 12 hunters, the share of the missing hunters will be distributed among the remaining, participating hunters. Driven hunts will not be conducted with groups of less than 10 hunters!

If the group is 16 hunters or more, a 10% discount is given on the prices below.

Bag per day/group: Price per hunter per day:

1 – 3 boars:	€ 175,-
4 – 6 boars:	€ 245,-
7 – 10 boars:	€ 370,-
11 – 15 boars:	€ 500,-
16 – 20 boars:	€ 685,-
21 – 25 boars:	€ 910,-
26 – 30 boars:	€ 1.205,-
31 – 35 boars:	€ 1.450,-
36 – 40 boars:	€ 1.865,-
41 – 45 boars:	€ 2.175,-
46 – 50 boars:	€ 2.800,-
51 – 65 boars:	€ 3.525,-
66 – 80 boars:	€ 4.560,-
81 - 100 boars	€ 5.390,-
100 +	€ 7.260,-

Example: The group shoots 43 wild boars (9 + 22 + 12) in 3 days, and the total price per hunter is EUR 2.575,- including hunt/accommodation.

Example: The group shoots 55 wild boars (13 + 23 + 19) in 3 days, and the total price per hunter is 2.890,- including hunt/accommodation.

The prices are valid for a minimum of 12 hunters. The entries are drawn every day. The parade of 12-20 wild boars per day is according to the regions' experience. However, the parade ultimately depends of course on shooting skills, wind and weather and general hunting luck.

About us

Limpopo & Diana Hunting Tours

Limpopo & Diana Hunting Tours Limpopo Travel and Diana Hunting Tours – which today are one and the same company - are built on more than four decades of experience in the hunting travel industry. Diana Hunting tours was founded in Svendborg back in 1974 by the internationally known figure in the hunting tour industry, Jan Krössteig, who today remains shareholder and chairman of the concern.

Over the years the company has grown into the world's largest hunting travel office, with hunting partners in more than 40 counties and customers from around the world. This has only been possible because of the strength of our customers faith in our company, our partners and the service we provide. We take great pride in the fact that a significant number of our customers are "regulars" you not only travel with us frequently, but also bring with them new customers into our business.

The hunting travel market has never been as chaotic as it is at present. There have always been a mass of small and medium sized agencies trading on the market, but in recent years the rise of the internet has really opened up the market for direct booking and packages sold by "agents" of more or less transparent character and by agencies based abroad.

A large number of hunters have had their fingers burnt booking "cheap" packages, which rarely proceed as promised. Generally it is only when things go wrong that the unfortunate hunter who bought the tour first realises what the difference between a good Danish travel agency - with all the security that entails - and a questionable foreign seller, really is.

What we offer our customers is a rather unique level of security. Our experienced staff really know our destinations and can provide highly qualified advice tailored to the customer's individual requirements. If you book your hunting tour through us you also have a guarantee against the unlikely event of bankruptcy through the Danish Travel Guarantee Fund. Our long standing membership of the Danish Travel Agency Association is also a guarantee for professional service throughout all the proceedings that a hunting tour entails - also in the event of something not going quite as planned. As one of our customers you can expect around the clock support, via our emergency hotline, in the event of anything at all going wrong.
