PARTNER
Gönye

Our partner in Turkey, Gönye Hunting Activities is one of the very biggest and most important players in the Turkish hunting market. They have their headquarters in the city of Konya in central Turkey, and in 2017 will be celebrating their 20 year jubilee. Over this period they have built up a large, professional organization with good hunting guides, interpreters, drivers etc. We have been working with Gönye since 2008. Generally their hunting guides are very experienced and have a thorough knowledge of the districts they are hunting in. Some of them speak a little English or German, but you should not expect too much of your guide when it comes to language skills.

When it comes to hunting for Anatolian wild boar Gönye can offer hunting over an impressive total of circa 3 million hectares in 15 different regions of Turkey, where they can arrange both individual hunts and driven hunts. They can also offer a further 11 different districts in the Taurus Mountains where you can hunt for the very attractive bezoar ibex. On top of this they can offer hunting for the rare Konya sheep, Anatolian roebuck and red stag, Anatolian gazelle and Anatolian chamois. When hunting in Turkey guiding is more or less always 1:1, with the exception of driven

hunts.

Generally it has to be said that when you hunt in Turkey you will be met by great friendliness and hospitality from your Turkish hosts, but it is also important that you are prepared to meet a very different culture and altitude to life than you might be used to.

HUNTING AREA

Hunting Area - Driven Hunt in Turkey

Our partner in Turkey has the hunting rights over some very good areas in the Black Sea region and in Anatolia. Both areas hold big populations of wild boars with a high percentage of big "tuskers". Both areas are in hilly terrain between 1.000 to 1.500 meters above sea level. The final decision regarding hunting area will be made approx. 20 days before the hunt to ensure the best possible hunting area.

In Turkey there are no fenced areas, you will therefore only hunt truly wild, free range boar. Although the hunting districts are remotely situated and in beautiful mountain areas, the road systems are excellent so that transport from one district to another and between drives is easily done in cross-country vehicles. Therefore elderly or less athletic hunters will be able to participate in this hunt.

About us

Limpopo & Diana Hunting Tours

Limpopo & Diana Hunting Tours Limpopo Travel and Diana Hunting Tours – which today are one and the same company - are built on more than four decades of experience in the hunting travel industry. Diana Hunting tours was founded in Svendborg back in 1974 by the internationally known figure in the hunting tour industry, Jan Krossteig, who today remains shareholder and chairman of the concern.

Over the years the company has grown into the world's largest hunting travel office, with hunting partners in more than 40 countries and customers from around the world. This has only been possible because of the strength of our customers faith in our company, our partners and the service we provide. We take great pride in the fact that a significant number of our customers are "regulars" you not only travel with us frequently, but also bring with them new customers into our business.

The hunting travel market has never been as chaotic as it is at present. There have always been a mass of small and medium sized agencies trading on the market, but in recent years the rise of the internet has really opened up the market for direct booking and packages sold by "agents" of more or less transparent character and by agencies based abroad.

A large number of hunters have had their fingers burnt booking "cheap" packages, which rarely proceed as promised. Generally it is only when things go wrong that the unfortunate hunter who bought the tour first realises what the difference between a good Danish travel agency - with all the security that entails - and a questionable foreign seller, really is.

What we offer our customers is a rather unique level of security. Our experienced staff really know our destinations and can provide highly qualified advice tailored to the customer's individual requirements. If you book your hunting tour through us you also have a guarantee against the unlikely event of bankruptcy through the Danish Travel Guarantee Fund. Our long standing membership of the Danish Travel Agency Association is also a guarantee for professional service throughout all the proceedings that a hunting tour entails - also in the event of something not going quite as planned. As one of our customers you can expect around the clock support, via our emergency hotline, in the event of anything at all going wrong.
