HUNTING AREA
Bush Camp / Coastal Camp / Mountain Camp

E-Zulu Safaris in Eastern Cape offer really exclusive hunting arrangements for the more discerning hunter and his companions. The hunting areas are exceptional good with varied nature and big populations of game.

The hunting areas are - like the rest of Eastern Cape - malaria free.

The facilities for non-hunting guests are among the best in Africa and here we name some of them: Game drives, swimming pools, wellness center and 5 star service during the entire stay. There are plenty of things to see in the local area, and we can strongly recommend to combine the hunting trip at E-Zulu with some extra days of touring South Africa, for instance in the winelands and/or the beautiful city of Cape Town.

Possibility to hunt for Roan, Sable, Buffalo, Blue Duiker, Impala, Kudu, Oryx, Red Hartebeest, Warthog, Ostrich, Grysback, Cape Bushbuck, Rhino and a lot of other species.

The standard at E-Zulu is international top class. Both what the

hunting and the accommodation/food concerns.

We have many very satisfied clients, who have visited E-Zulu more than once. We cannot think of a better recommendation of the exceptional qualities of this fantastic hunting area.

About us

Limpopo & Diana Hunting Tours

Limpopo & Diana Hunting Tours Limpopo Travel and Diana Hunting Tours – which today are one and the same company - are built on more than four decades of experience in the hunting travel industry. Diana Hunting tours was founded in Svendborg back in 1974 by the internationally known figure in the hunting tour industry, Jan Krössteig, who today remains shareholder and chairman of the concern.

Over the years the company has grown into the world's largest hunting travel office, with hunting partners in more than 40 counties and customers from around the world. This has only been possible because of the strength of our customers faith in our company, our partners and the service we provide. We take great pride in the fact that a significant number of our customers are "regulars" you not only travel with us frequently, but also bring with them new customers into our business.

The hunting travel market has never been as chaotic as it is at present. There have always been a mass of small and medium sized agencies trading on the market, but in recent years the rise of the internet has really opened up the market for direct booking and packages sold by "agents" of more or less transparent character and by agencies based abroad.

A large number of hunters have had their fingers burnt booking "cheap" packages, which rarely proceed as promised. Generally it is only when things go wrong that the unfortunate hunter who bought the tour first realises what the difference between a good Danish travel agency - with all the security that entails - and a questionable foreign seller, really is.

What we offer our customers is a rather unique level of security. Our experienced staff really know our destinations and can provide highly qualified advice tailored to the customer's individual requirements. If you book your hunting tour through us you also have a guarantee against the unlikely event of bankruptcy through the Danish Travel Guarantee Fund. Our long standing membership of the Danish Travel Agency Association is also a guarantee for professional service throughout all the proceedings that a hunting tour entails - also in the event of something not going quite as planned. As one of our customers you can expect around the clock support, via our emergency hotline, in the event of anything at all going wrong.
