ACCOMMODATION Transylvania

One of our priorities is to provide accommodation for our hunters in single rooms, unless otherwise requested, and typically we can arrange just that. Typically our hunters will stay in a small, cosy pension or in a hunting lodge. Both types of accommodation will be equipped with all necessary facilities and will be situated in, or close to the hunting district itself, to ensure the best possible service for our hunters. On some of the districts in this region it is possible to upgrade your standard of accommodation, to stay in a room in a palatial manor house - on payment of a supplement.

Full board is included in the price of all our tours to Romania.

HUNTING AREA
Transylvanien - Drivjagt

All our hunting districts are min. 7500 Ha in size and primarily are found in lower lying areas. The districts are often gently hilly, with woodland, clearings and hedgerows, when helps to make the area an almost perfect roe deer habitat.

Our partner has a number of different districts in Transylvania to choose between. He is in constant contact with the local "game-keepers" which helps to ensure that our hunters are able to bag really good trophies.

About us

Limpopo & Diana Hunting Tours

Limpopo & Diana Hunting Tours Limpopo Travel and Diana Hunting Tours – which today are one and the same company - are built on more than four decades of experience in the hunting travel industry. Diana Hunting tours was founded in Svendborg back in 1974 by the internationally known figure in the hunting tour industry, Jan Krössteig, who today remains shareholder and chairman of the concern.

Over the years the company has grown into the world’s largest hunting travel office, with hunting partners in more than 40 counties and customers from around the world. This has only been possible because of the strength of our customers faith in our company, our partners and the service we provide. We take great pride in the fact that a significant number of our customers are “regulars” you not only travel with us frequently, but also bring with then new customers into our business.

The hunting travel market has never been as chaotic as it is at present. There have always been a mass of smalland medium sized agencies trading on the market, but in recent years the rise of the internet has really opened up the market for direct booking and packages sold by “agents” of more or less transparent character and by agencies based abroad.

A large number of hunters have had their fingers burnt booking “cheap” packages, which rarely proceed as promised, Generally it is only when things go wrong that the unfortunate hunter who bought the tour first realises what the difference between a good Danish travel agency - with all the security that entails -and a questionable foreign seller, really is.

What we offer our customers is a rather unique level of security. Our experienced staff really know our destinations and can provide highly qualified advice tailored to the customer’s individual requirements. If you book your hunting tour through us you also have a guarantee against the unlikely event of bankruptcy through the Danish Travel Guarantee Fund. Our long standing membership of the Danish Travel Agency Association is also a guarantee for professional service throughout all the proceedings that a hunting tour entails - also in the event of something not going quite as planned. As one of our customers you can expect around the clock support, via our emergency hotline, in the event of anything at all going wrong.
