HIGHLIGHTS & DESCRIPTION

Antelope Hunt at Looock Safaris

Overview

South Africa is divided into many provinces, one of which, Eastern Cape, in the south east of the country, is where Looock Safaris calls home – the hunting district is close to the town of Graaff-Reinet.

There are also many different climate zones in South Africa. This part of the country is more or less semi-desert, a place which often lacks rain, and must endure extremely cold temperatures in the winter and excessively high temperature in the summer (remember the seasons in South Africa are the opposite way round to ours in the north).

Flippie Looock and his wife Liesel manage both Looock Safaris and their farm Springfontein, which has been owned by the Looock family for many years.

The area of semi desert close to the hunting district is called the Karoo, here you will mainly hunt over huge areas of open countryside, however not all the district is quite so flat and open, there are also more mountainous districts with more vegetation cover. If you are one of the hunters who wish to shoot all 4 colour variations of springbok, you can do so here! Flippie offers the opportunity of completing a Springbok-Slam, which consists of an ordinary, a black, a white and a copper coloured springbok. He can also offer hunting for Scimitar Oryx.

On this tour you will be taking part in a trophy hunt, Our price includes flights, accommodation and hunting etc., but

HIGHLIGHTS

- Four different kinds of Springbok
- Scimitar Oryx
- Huge, hilly hunting ground
- Scenic and high ground

you will be charged for every trophy you shoot according to the current price-list.

The hunting districts here are very large, so you will largely be using vehicles to get around the district, until you spot an animal that you believe is worth hunting. You will then leave your vehicle in the bush, and the excitement of the stalk on foot begins.

You are treated as if you were one of the Looock family when you go hunting with them. You will be staying on their farm – in fact, in the main farmhouse itself. Here guests keep in an annex off the main building. In this annex there are 3 bedrooms offering accommodation for max. 6 guests.

You will spend 2 days of this 8 day tour travelling to and from the farm in the South Africa, the other 6 days are spent at Looock Safaris, of which 5 are hunting days. from Northern Europe you will fly to Johannesburg, and from Johannesburg you will take a domestic flight to Port Elizabeth. Here you will be met by a representative from Looock Safaris and driven to the hunting district – this takes around 3½-4 hours.

PARTNER Looock Safaris

Over the last few years we have had many groups enjoying some fantastic driven hunting with Looock Safaris. The farm is owned by Flippie Looock, who has a great reputation - not just in South Africa, but all the way up to here in Scandinavia. You will need to look far and wide for a more genuine person than him, and we are really glad to be able to work in partnership with this great character.

About us

Limpopo & Diana Hunting Tours

Limpopo & Diana Hunting Tours Limpopo Travel and Diana Hunting Tours – which today are one and the same company - are built on more than four decades of experience in the hunting travel industry. Diana Hunting tours was founded in Svendborg back in 1974 by the internationally known figure in the hunting tour industry, Jan Krössteig, who today remains shareholder and chairman of the concern.

Over the years the company has grown into the world's largest hunting travel office, with hunting partners in more than 40 counties and customers from around the world. This has only been possible because of the strength of our customers faith in our company, our partners and the service we provide. We take great pride in the fact that a significant number of our customers are "regulars" you not only travel with us frequently, but also bring with then new customers into our business.

The hunting travel market has never been as chaotic as it is at present. There have always been a mass of smalland medium sized agencies trading on the market, but in recent years the rise of the internet has really opened up the market for direct booking and packages sold by "agents" of more or less transparent character and by agencies based abroad.

A large number of hunters have had their fingers burnt booking "cheap" packages, which rarely proceed as promised, Generally it is only when things go wrong that the unfortunate hunter who bought the tour first realises what the difference between a good Danish travel agency - with all the security that entails -and a questionable foreign seller, really is.

What we offer our customers is a rather unique level of security. Our experienced staff really know our destinations and can provide highly qualified advice tailored to the customer's individual requirements. If you book your hunting tour through us you also have a guarantee against the unlikely event of bankruptcy through the Danish Travel Guarantee Fund. Our long standing membership of the Danish Travel Agency Association is also a guarantee for professional service throughout all the proceedings that a hunting tour entails - also in the event of something not going quite as planned. As one of our customers you can expect around the clock support, via our emergency hotline, in the event of anything at all going wrong.
