

SMALL GAME SHOOTING IN MELROSE

Once hunters have experienced the special atmosphere that permeates hunting in Scotland they learn that the hunt itself is only part of the overall experience. The wonderful local hospitality, the beautiful scenery and the cosy hotels, restaurants and pubs - are also very important parts of the Scottish experience.

HIGHLIGHTS & DESCRIPTION

Small game shooting in Melrose

Overview

We have an exclusive agreement with a family run sporting hotel of international standard. Appealing to hunters who are looking for the ultimate Scottish hunting experience the hotel offers accommodation tailored to the needs of hunters and their companions - and not least first class hunting in the nearby vicinity of the hotel.

Background

The host's family have been organising hunting in Scotland or a demanding overseas clientele for more than 40 years.

Throughout this period they have always had a burning passion for hunting, and it has been a continual source of frustration that all the hotels available did not really have a deep understanding of hunting and hunters, which always seemed to stand in the way of the families guests enjoying a total hunting experience.

When the family got the chance of running a hotel in 2007, they at once saw it was their chance to create a "Country Sports Hotel" that would live up to their ideas on how the perfect setting for a Scottish hunting tour should be.

The hunting

The family, that runs the hotel, has access to more than 40,000 ha. of professionally managed hunting within a 35 mins drive from the hotel. There is a wealth of varied hunting available; woodcock and rough shooting near the hotel

HIGHLIGHTS

- Very beautiful countryside
- The ultimate Scottish hunting experience
- Our partner has access to more than 40,000 hectares hunting ground
- Overwhelming choice or very varied hunting

itself, while mixed walked up small game shooting that can include duck and goose shooting is available in a number of other venues. There is grouse shooting over pointers and setters, as well as world class traditional driven shoots for grouse. Hunting for white mountain hares, driven hunts for pheasant and partridge, as well as pigeon shooting and roe buck can of course also be arranged.

ACCOMMODATION Dryburgh Hotel

The hotel, which is only an hours drive from Edinburgh airport, is beautifully located on the banks of the River Tweed in the heart of the Scottish Borders. Most of the rooms and public areas offer views over the river.

The hotel is a luxuriously furnished 4-star hotel featuring an exceptional restaurant. The menu, as you might expect, features many game dishes with seasonal, locally produced vegetables. The hotel provides a secure gun room, for safe storage of the guests weapons and ammunition, and also has a drying room where you can dry soaked hunting clothes.

In 2010 the hotel was awarded the prestigious “Scottish Country Sports Hotel of the Year” in recognition of the good service it provides for it’s hunting guests. It goes without saying that the hotel is ideal for both couples and for larger corporate events

HUNTING AREA Melrose

The families aim, when they took over the hotel in April 2007, was to combine the perfect hunting hotel with perfect hunting in a fantastic district. A total hunting experience, where both accommodation and the hunting district has been tailored to the needs of the hunter, and the hunter can enjoy the benefits of our partner's wealth of experience and the high level of service he provides.

The family running the hotel has access to more than 40,000 hectares of professionally managed hunting, all with a 35 minute drive from the hotel. The possibilities available are overwhelming, and very varied in character. Woodcock and rough shooting is available almost right next to the hotel, while "walked up" rough shooting for game that can include ducks, together with goose shooting are all available at a number of nearby locations.

It is possible to shoot grouse over pointers and setters, as well as on world class, traditional driven shoots. It is also possible to arrange hunting for mountain hares, as well as drives for pheasants and partridges. Naturally it is also possible to arrange pigeon shoots and roebuck hunts.

The countryside in this area is absolutely beautiful, a mix of fertile farmland and Scottish hills. We can warmly recommend hunting here.

About us

Limpopo & Diana Hunting Tours

Limpopo & Diana Hunting Tours Limpopo Travel and Diana Hunting Tours – which today are one and the same company - are built on more than four decades of experience in the hunting travel industry. Diana Hunting tours was founded in Svendborg back in 1974 by the internationally known figure in the hunting tour industry, Jan Krössteig, who today remains shareholder and chairman of the concern.

Over the years the company has grown into the world’s largest hunting travel office, with hunting partners in more than 40 counties and customers from around the world. This has only been possible because of the strength of our customers faith in our company, our partners and the service we provide. We take great pride in the fact that a significant number of our customers are “regulars” you not only travel with us frequently, but also bring with then new customers into our business.

The hunting travel market has never been as chaotic as it is at present. There have always been a mass of smalland medium sized agencies trading on the market, but in recent years the rise of the internet has really opened up the market for direct booking and packages sold by “agents” of more or less transparent character and by agencies based abroad.

A large number of hunters have had their fingers burnt booking “cheap” packages, which rarely proceed as promised, Generally it is only when things go wrong that the unfortunate hunter who bought the tour first realises what the difference between a good Danish travel agency - with all the security that entails -and a questionable foreign seller, really is.

What we offer our customers is a rather unique level of security. Our experienced staff really know our destinations and can provide highly qualified advice tailored to the customer’s individual requirements. If you book your hunting tour through us you also have a guarantee against the unlikely event of bankruptcy through the Danish Travel Guarantee Fund. Our long standing membership of the Danish Travel Agency Association is also a guarantee for professional service throughout all the proceedings that a hunting tour entails - also in the event of something not going quite as planned. As one of our customers you can expect around the clock support, via our emergency hotline, in the event of anything at all going wrong.
