HIGHLIGHTS & DESCRIPTION Red Stag Hunt in Dabrowa

Red Stag Hunting in Poland

Throughout history, great deal of prestige is awarded to hunters who shoot a mature stag! The red stag is the undisputed King of Europe's game animals - the trophy which all European hunters are most keen to hang on their wall. However, it is only when you have experienced the thrill of hunting during the height of the rut, that you really understand why this is.

The red stag is powerful, graceful - even majestic - and easily the most impressive animal in our forests. It is quite natural that all European rifle hunters will want to test their skills against this game - preferably more than once!

We can offer a wide range of the very best State Forest Districts in western Poland, all of which can deliver top quality red deer hunts. These State Forest Districts all have well trained, experienced and very responsible hunting guides, who each have their own areas in the districts, which they know like the back of their own hands.

The hunt usually takes the form of stalking or lying in wait on one of the towers that have been optimally placed in each district, with regard to the deer's behavioural patterns during the rut.

You will go out hunting twice a day, once in the early morning starting before dawn, and again in the late afternoon/evening during the hours around sunset. It will often be possible to combine stag hunting with a roebuck hunt, if the district has any left on its shooting quota, or with hunting for wild boar.

HIGHLIGHTS

- District 11,344 hectares in size
- Annual shooting quota: 63 head of red deer – including 16 stags
- The average size of stags shot during the rutting time over the last 2 years is between 3-6 kg
- 2 choices of accommodation - one with German speaking hosts - the other with English speaking hosts. Normally it is possible to choose between the two.

It is not just the trophy which is very attractive, even the hunt for red stags is itself is extremely attractive - both because of the real challenge in getting yourself within range of a big stag, but also because of the many traditions that are associated with this hunt.

Quite simply it is the experience of a lifetime! You can choose between hunting following the price list or on a fixed price package - we have both larger and smaller stags available to hunt. There is something for every taste and budget!

A hunting tour to Poland can make stag hunting convenient, easy and inexpensive and you can be sure of enjoying a wonderful outdoors adventure. Stag hunting in Poland has been popular for quite some time now - and for good reason! A stag hunt in Poland is the perfect way for both new and experienced hunts to be certain of a great hunting experience.

PARTNER RDLP Torun

06

We have worked together with the Regional Direction of State Forests in Torun –the Regionalna Dyrekcja Lasów Państwowych we Toruniu, or in everyday language the RDLP Torun – for the last 21 years, and before that Wilson Jagtrejser (which later became Diana) worked together with some of the districts. Our partnership includes 8 state forest districts, and we have long term agreements with all 8 districts. Of the rest (= 19) of RDLP Torun's total of 27 districts, the hunting is let out to various Polish hunting associations. Some of the districts lie in the "Bory Tucholski" – Poland's biggest forest complex.

In common for all the state-owned districts under RDLP Torun, which was established in 1925 and is one of the oldest regional directions, is good, professional and stabile game mangement, with each district having it's own speciality. Some of them stand out because of their fantastic stag hunts, others because of their well organized driven hunts - while some districts can simply do it all. More information given under the individual districts and we will of course be happy to provide more detailed information via telephone or email.

When hunting in a state-owned district accommodation is normally provided in the hunting district itself – and not in a hotel in town. In this way our customers can enjoy a "total experience". The game is usually taken back to your accommodation so your hunting companions can join the celebrations. In some districts you can lie in bed at night and listen to the red deer stags roar during the September rut.

A hunt on one of the districts under RDLP Torun is clearly a good choice!

HUNTING AREA Dabrowa

The Dabrowa state hunting district in north west Poland covers a total area of 11,344 ha. of which 9,857 ha. is forest while the remaining 1,487 ha. consists of farmland, meadow, wetlands and small watercourses. In the midst of the district is a lake of some 19 ha. where it is possible to fish. The forest predominantly consists of conifers (83.6%), but there are also oaks (5.8%), birch (4.4%), alder (2.7%) and other broadleaf trees (3.5%). The name "Dabrowa" is derived from the Polish name for oak (dab). A large part of this beautiful district is slightly hilly. Dabrowa has 75 high seats/stands and 21 feeding places. It is also possible to arrange an exciting hunt from a horse drawn wagon, as long as you arrange this in advance. Up to 8 hunters can be catered for at a time, but 4 - 5 is the optimal number.

This district is home to Poland's largest population of fallow deer, with an annual quota of around 270 individuals. Dabrowa also has good populations of red deer, wild boar, but numbers of roe deer are limited. Around 8 roebucks are shot here annually, most of which produce trophies of under 250g net weight, but a few individuals of over 300g are also taken from here. The annual quota for red stags is 25 - by far the most of which have a trophy

weight of 4 - 6 kg, although every year a few trophies of over 6 kg are shot here. Around 50 fallow bucks are taken here annually, good, average sized Polish buck - with a few bucks approaching - or slightly above - 3kg trophy weight. There is a reasonable population of wild boar at Dabrowa, which can be hunted on individual hunts throughout the season or during hind-stalking/small driven hunts in the autumn and winter.

Dabrowa is around 320km from the Kolbaskowo border crossing south of Szczecin, around 18km from Swiecie and 25 km from Grudziadz, which is the nearest major town. The closest international airport is at Gdansk, a distance of 120km.

About us

Limpopo & Diana Hunting Tours

Limpopo & Diana Hunting Tours Limpopo Travel and Diana Hunting Tours – which today are one and the same company - are built on more than four decades of experience in the hunting travel industry. Diana Hunting tours was founded in Svendborg back in 1974 by the internationally known figure in the hunting tour industry, Jan Krössteig, who today remains shareholder and chairman of the concern.

Over the years the company has grown into the world’s largest hunting travel office, with hunting partners in more than 40 counties and customers from around the world. This has only been possible because of the strength of our customers faith in our company, our partners and the service we provide. We take great pride in the fact that a significant number of our customers are “regulars” you not only travel with us frequently, but also bring with them new customers into our business.

The hunting travel market has never been as chaotic as it is at present. There have always been a mass of small and medium sized agencies trading on the market, but in recent years the rise of the internet has really opened up the market for direct booking and packages sold by “agents” of more or less transparent character and by agencies based abroad.

A large number of hunters have had their fingers burnt booking “cheap” packages, which rarely proceed as promised, Generally it is only when things go wrong that the unfortunate hunter who bought the tour first realises what the difference between a good Danish travel agency - with all the security that entails - and a questionable foreign seller, really is.

What we offer our customers is a rather unique level of security. Our experienced staff really know our destinations and can provide highly qualified advice tailored to the customer’s individual requirements. If you book your hunting tour through us you also have a guarantee against the unlikely event of bankruptcy through the Danish Travel Guarantee Fund. Our long standing membership of the Danish Travel Agency Association is also a guarantee for professional service throughout all the proceedings that a hunting tour entails - also in the event of something not going quite as planned. As one of our customers you can expect around the clock support, via our emergency hotline, in the event of anything at all going wrong.
