HIGHLIGHTS & DESCRIPTION

Red Stag Hunt in Milicz

Red Stag Hunting in Poland

Throughout history, great deal of prestige is awarded to hunters who shoot a mature stag! The red stag is the undisputed King of Europe's game animals - the trophy which all European hunters are most keen to hang on their wall. However, it is only when you have experienced the thrill of hunting during the height of the rut, that you really understand why this is.

The red stag is powerful, graceful - even majestic - and easily the most impressive animal in our forests. It is quite natural that all European rifle hunters will want to test their skills against this game - preferably more than once!

We can offer a wide range of the very best State Forest Districts in western Poland, all of which can deliver top quality red deer hunts. These State Forest Districts all have well trained, experienced and very responsible hunting guides, who each have their own areas in the districts, which they know like the back of their own hands.

The hunt usually takes the form of stalking or lying in wait on one of the towers that have been optimally placed in each district, with regard to the deer's behavioural patterns during the rut.

You will go out hunting twice a day, once in the early morning starting before dawn, and again in the late afternoon/evening during the hours around sunset. It will often be possible to combine stag hunting with a roebuck hunt, if the district has any left on its shooting quota, or with hunting for wild boar.

HIGHLIGHTS

- District 16,334 hectares in size
- Annual shooting quota: 170 head of red deer – including 46 stags
- The average size of stags shot during the rutting time over the last 2 years is between 5-7 kg
- Really lovely accommodation at the home of the gamekeeper, within the district itself and of a very good standard. A large and well-tended garden/park surrounding the house.

It is not just the trophy which is very attractive, even the hunt for red stags is itself is extremely attractive - both because of the real challenge in getting yourself within range of a big stag, but also because of the many traditions that are associated with this hunt.

Quite simply it is the experience of a lifetime! You can choose between hunting following the price list or on a fixed price package - we have both larger and smaller stags available to hunt. There is something for every taste and budget!

A hunting tour to Poland can make stag hunting convenient, easy and inexpensive and you can be sure of enjoying a wonderful outdoors adventure. Stag hunting in Poland has been popular for quite some time now - and for good reason! A stag hunt in Poland is the perfect way for both new and experienced hunters to be certain of a great hunting experience.

PARTNER RDLP Wrocław

The Regional Direction of State Forests in Wrocław – the Regionalna Dyrekcja Lasów Państwowych we Wrocławiu, or in everyday speech the RDLP Wrocław – is our longest standing partner in Poland. We have been sending hunters to the districts managed by RDLP Wrocław since 1978, when we used one of the districts. Now we use a total of 11 state owned districts, of which we have long term contracts with 6 of the very best. On the rest (= 22) of their total of 33 districts, the hunting is let out to various Polish hunting associations.

In common for all the state-owned districts under RDLP Wrocław, which in 2015 could celebrate its 70th anniversary, is good, professional and stable game management, with each district having its own speciality. Some of them stand out because of their fantastic stag hunts, others because of their well organized driven hunts - while some districts can simply do it all. More information given under the individual districts and we will of course be happy to provide more detailed information via telephone or email.

When hunting in a state-owned district accommodation is

normally provided in the hunting district itself – and not in a hotel in town. In this way our customers can enjoy a "total experience". The game is usually taken back to your accommodation so your hunting companions can join the celebrations. In some districts you can lie in bed at night and listen to the red deer stags roar during the September rut.

A hunt on one of the districts under RDLP Wrocław is clearly a good choice!

HUNTING AREA Milicz

The state owned districts Milicz 45 and 67 lie in south west Poland, just to the north east of Wroclaw. Milicz 45 is 6,319 ha. in size, of which 2,032 ha. are forest and the remaining 4,287 ha. are farmland, meadow and lakes. The forest is largely coniferous (85%) or alder (6%). The district is generally flat. Milicz 45 offers 79 high seats/stands and 17 feeding places. Milicz 67 is 10,015 ha. in size, of which 5,665 ha. is forested and the remaining 4,287 ha is made up of farmland, meadow and lakes. The forest is primarily coniferous (72%) with oak (12%) and beech (9%). The district is largely flat. Milicz 45 has 122 high seats/stands together with 27 feeding places. It is possible to carry out an exciting hunt from a horse drawn carriage, provided you book it in advance. A total of 6 - 7 hunters can be taken at a time on individual hunts, while driven hunts can be arranged for groups of 10 - 14 hunters.

A unique feature of these districts (especially Milicz 45) are the artificial lakes, which are emptied in rotation during October, in order to harvest the carp raised here. After one of the lakes have been drained, it is possible to walk out to the small overgrown islands and see how the lake bed is totally covered by the tracks of red deer and wild boar. During August and September good

duck shooting can be arranged - from 1st Sept. in combination with geese.

The districts offer roe deer, red deer, wild boar and a few fallow deer. Every year around 92 roebuck are shot annually on the two districts. The trophy size is usually under 350g net, but bucks of over 350g are taken here - a few even over 400g. There is an annual quota of around 21 red stags - the vast majority with a trophy weight of 5-6 kg, but stags of over 7kg do occur here. In 2016 2 really good stags of over 8 kg were shot here. Wild boar can be hunted both on individual hunts throughout the season and on driven hunts in the autumn and winter.

Milicz 67 is 240km from the border crossing at Forst/Olszyna, 16km from the town of Milicz and 65km from Wroclaw, where you can find the closest international airport.

About us

Limpopo & Diana Hunting Tours

Limpopo & Diana Hunting Tours Limpopo Travel and Diana Hunting Tours – which today are one and the same company - are built on more than four decades of experience in the hunting travel industry. Diana Hunting tours was founded in Svendborg back in 1974 by the internationally known figure in the hunting tour industry, Jan Krössteig, who today remains shareholder and chairman of the concern.

Over the years the company has grown into the world's largest hunting travel office, with hunting partners in more than 40 counties and customers from around the world. This has only been possible because of the strength of our customers faith in our company, our partners and the service we provide. We take great pride in the fact that a significant number of our customers are "regulars" you not only travel with us frequently, but also bring with then new customers into our business.

The hunting travel market has never been as chaotic as it is at present. There have always been a mass of smalland medium sized agencies trading on the market, but in recent years the rise of the internet has really opened up the market for direct booking and packages sold by "agents" of more or less transparent character and by agencies based abroad.

A large number of hunters have had their fingers burnt booking "cheap" packages, which rarely proceed as promised, Generally it is only when things go wrong that the unfortunate hunter who bought the tour first realises what the difference between a good Danish travel agency - with all the security that entails -and a questionable foreign seller, really is.

What we offer our customers is a rather unique level of security. Our experienced staff really know our destinations and can provide highly qualified advice tailored to the customer's individual requirements. If you book your hunting tour through us you also have a guarantee against the unlikely event of bankruptcy through the Danish Travel Guarantee Fund. Our long standing membership of the Danish Travel Agency Association is also a guarantee for professional service throughout all the proceedings that a hunting tour entails - also in the event of something not going quite as planned. As one of our customers you can expect around the clock support, via our emergency hotline, in the event of anything at all going wrong.
