HIGHLIGHTS & DESCRIPTION

Roebuck Hunt in Barlinek

Roebuck Hunting in Poland

Roebuck hunting in Poland has become a wonderful tradition amongst rifle hunters. The season starts in the spring - on May 11th -, and continues right up to the end of September. In other words it is possible to enjoy both hunting earlier in the spring as well as an exciting, traditional rut hunt in July/August, when it is possible to call-up the bucks. If you are a true roebuck enthusiast, you really should not miss any of these highlights!

The population of roe deer in Poland is, thanks to longstanding strict game management policies, both very large and very dense. Year after year this wealth of game brings hunters from all over north western Europe to the vast Polish hunting districts to try their luck.

We can offer a wide range of the very best State Forest Districts in western Poland, all of which can deliver top quality roebuck hunts. The Polish districts can offer trophies of different sizes, leaving you free to choose whether you would prefer to hunt for a number of smaller bucks or go for a single, really good, trophy. These State Forest Districts all have well trained, experienced and very responsible hunting guides, who each have their own areas in the districts, which they know like the back of their own hands.

The hunt usually takes the form of stalking or lying in wait on one of the towers that have been optimally placed in each district, with regard to the deer's behavioural patterns. You will go out hunting twice a day, once in the early morning starting before dawn, and again in the late afternoon/evening during the hours around sunset.

HIGHLIGHTS

- District 6,166 hectares in size
- Annual shooting quota: 33 head of roe deer – including 15 bucks
- Most bucks are between 150-200 grams – a few reach around 250 grams
- Lies close to the German border in north west Poland

No matter which season you have chosen to go roebuck hunting, it will always be possible to combine your hunt with hunting for wild boar, again early in the morning and in the late evening, which are the periods the boars are most active.

We are able to offer fixed price packages, on which a hunter only need to follow the advice of his guide and does not need to worry about a large extra bill if you shoot a really good trophy. It is also possible to hunt following the districts regular price list, or our graduated price list with several categories of trophy size. Simply let us know in advance how you would like to hunt, and we will trailer your trip to it your wishes exactly!

PARTNER RDLP Szczecin

88

Our partnership with the Regional Direction of State Forests in Szczecin – the Regionalna Dyrekcja Lasów Państwowych we Szczecinie, or in everyday language the RDLP Szczecin – dates back to 1982, when we first started to send hunters to one of their districts. More districts were added later, and now in 2016 we have long term contracts with 4 of the best state-owned districts. Of the rest (= 31) of their total of 35 district, the hunting has been let out to various Polish hunting associations, except for 5, which are sold via other agencies.

In common for all the state-owned districts under RDLP Szczecin, which was established in 1978, is good, professional and stabile game mangement, with each district having it's own speciality. Some of them stand out because of their fantastic stag hunts, others because of their well organized driven hunts - while some districts can simply do it all. More information given under the individual districts, and we will of course be happy to provide more detailed information via telephone or email.

When hunting in a state-owned district accommodation is normally provided in the hunting district itself – and not in a hotel

in town. In this way our customers can enjoy a "total experience". The game is usually taken back to your accommodation so your hunting companions can join the celebrations. In some districts you can lie in bed at night and listen to the red deer stags roar during the September rut.

A hunt on one of the districts under RDLP Szczecin is clearly a good choice!

HUNTING AREA Barlinek

The Barlinek state hunting district in north west Poland covers a total area of 6,166 ha. of which 5,426 ha. is forest, while the remaining 740 ha. is farmland and meadow. The forest is made up of 67% coniferous tree, 14% beech, 10% oak, 3% birch, while the remainder is mixed broadleaf. The district is generally flat. Barlinek has 71 high seats/stands and 14 feeding places. It is possible to hunt from a horse drawn wagon, provided you book this in advance. The district can take up to 6 hunters at a time, but 3 -5 hunters is the optimum number. Driven hunts can be arranged for groups of 10 - 12 hunters.

This district can offer hunting for roe deer, red deer and wild boar. Every year 40 roe bucks are taken here. Most of these yield a trophy weight of under 250g net, but a few bucks of over 300g are also taken. The district has an annual quota of around 18 red stags - the majority of which have a trophy weight of around 6kg, but naturally smaller stags are sometimes taken. However this district offers the possibility of bagging a really good stag, with an antler weight approaching 8 kg. Additionally there is a good population of wild boar at Barlinek, and these can be hunted on individual hunts throughout the season and on the 5 driven hunts

that are organised in the autumn and winter.

Barlinek is 95 km from the Schwedt border crossing south of Szczecin, 110 km from Szczecin which is the closest major town, 140 km from Szczecin/Golenoiw airport and 160 km from Berlin airport.

About us

Limpopo & Diana Hunting Tours

Limpopo & Diana Hunting Tours Limpopo Travel and Diana Hunting Tours – which today are one and the same company - are built on more than four decades of experience in the hunting travel industry. Diana Hunting tours was founded in Svendborg back in 1974 by the internationally known figure in the hunting tour industry, Jan Krössteig, who today remains shareholder and chairman of the concern.

Over the years the company has grown into the world’s largest hunting travel office, with hunting partners in more than 40 counties and customers from around the world. This has only been possible because of the strength of our customers faith in our company, our partners and the service we provide. We take great pride in the fact that a significant number of our customers are “regulars” you not only travel with us frequently, but also bring with then new customers into our business.

The hunting travel market has never been as chaotic as it is at present. There have always been a mass of smalland medium sized agencies trading on the market, but in recent years the rise of the internet has really opened up the market for direct booking and packages sold by “agents” of more or less transparent character and by agencies based abroad.

A large number of hunters have had their fingers burnt booking “cheap” packages, which rarely proceed as promised, Generally it is only when things go wrong that the unfortunate hunter who bought the tour first realises what the difference between a good Danish travel agency - with all the security that entails -and a questionable foreign seller, really is.

What we offer our customers is a rather unique level of security. Our experienced staff really know our destinations and can provide highly qualified advice tailored to the customer’s individual requirements. If you book your hunting tour through us you also have a guarantee against the unlikely event of bankruptcy through the Danish Travel Guarantee Fund. Our long standing membership of the Danish Travel Agency Association is also a guarantee for professional service throughout all the proceedings that a hunting tour entails - also in the event of something not going quite as planned. As one of our customers you can expect around the clock support, via our emergency hotline, in the event of anything at all going wrong.
