HIGHLIGHTS & DESCRIPTION

Roebuck Hunt in Brodnica

Roebuck Hunting in Poland

Roebuck hunting in Poland has become a wonderful tradition amongst rifle hunters. The season starts in the spring - on May 11th -, and continues right up to the end of September. In other words it is possible to enjoy both hunting earlier in the spring as well as an exciting, traditional rut hunt in July/August, when it is possible to call-up the bucks. If you are a true roebuck enthusiast, you really should not miss any of these highlights!

The population of roe deer in Poland is, thanks to longstanding strict game management policies, both very large and very dense. Year after year this wealth of game brings hunters from all over north western Europe to the vast Polish hunting districts to try their luck.

We can offer a wide range of the very best State Forest Districts in western Poland, all of which can deliver top quality roebuck hunts. The Polish districts can offer trophies of different sizes, leaving you free to choose whether you would prefer to hunt for a number of smaller bucks or go for a single, really good, trophy. These State Forest Districts all have well trained, experienced and very responsible hunting guides, who each have their own areas in the districts, which they know like the back of their own hands.

The hunt usually takes the form of stalking or lying in wait on one of the towers that have been optimally placed in each district, with regard to the deer's behavioural patterns. You will go out hunting twice a day, once in the early morning starting before dawn, and again in the late afternoon/evening during the hours around sunset.

HIGHLIGHTS

- District 9,690 hectares in size
- Annual shooting quota: 90 head of roe deer – including 45 bucks
- Most bucks are between 250-350 grams, but bucks of over 400 grams are also shot here
- Charming accommodation in the district itself
- Possibility of seeing moose

No matter which season you have chosen to go roebuck hunting, it will always be possible to combine your hunt with hunting for wild boar, again early in the morning and in the late evening, which are the periods the boars are most active.

We are able to offer fixed price packages, on which a hunter only need to follow the advice of his guide and does not need to worry about a large extra bill if you shoot a really good trophy. It is also possible to hunt following the districts regular price list, or our graduated price list with several categories of trophy size. Simply let us know in advance how you would like to hunt, and we will trailer your trip to it your wishes exactly!

PARTNER RDLP Toruń

We have worked together with the Regional Direction of State Forests in Toruń – the Regionalna Dyrekcja Lasów Państwowych w Toruniu, or in everyday language the RDLP Toruń – for the last 21 years, and before that Wilson Jagtrejser (which later became Diana) worked together with some of the districts. Our partnership includes 8 state forest districts, and we have long term agreements with all 8 districts. Of the rest (= 19) of RDLP Toruń's total of 27 districts, the hunting is let out to various Polish hunting associations. Some of the districts lie in the "Bory Tucholski" – Poland's biggest forest complex.

In common for all the state-owned districts under RDLP Toruń, which was established in 1925 and is one of the oldest regional directions, is good, professional and stable game management, with each district having its own speciality. Some of them stand out because of their fantastic stag hunts, others because of their well organized driven hunts - while some districts can simply do it all. More information given under the individual districts and we will of course be happy to provide more detailed information via telephone or email.

When hunting in a state-owned district accommodation is normally provided in the hunting district itself – and not in a hotel in town. In this way our customers can enjoy a "total experience". The game is usually taken back to your accommodation so your hunting companions can join the celebrations. In some districts you can lie in bed at night and listen to the red deer stags roar during the September rut.

A hunt on one of the districts under RDLP Toruń is clearly a good choice!

About us

Limpopo & Diana Hunting Tours

Limpopo & Diana Hunting Tours Limpopo Travel and Diana Hunting Tours – which today are one and the same company - are built on more than four decades of experience in the hunting travel industry. Diana Hunting tours was founded in Svendborg back in 1974 by the internationally known figure in the hunting tour industry, Jan Krössteig, who today remains shareholder and chairman of the concern.

Over the years the company has grown into the world's largest hunting travel office, with hunting partners in more than 40 counties and customers from around the world. This has only been possible because of the strength of our customers faith in our company, our partners and the service we provide. We take great pride in the fact that a significant number of our customers are "regulars" you not only travel with us frequently, but also bring with then new customers into our business.

The hunting travel market has never been as chaotic as it is at present. There have always been a mass of smalland medium sized agencies trading on the market, but in recent years the rise of the internet has really opened up the market for direct booking and packages sold by "agents" of more or less transparent character and by agencies based abroad.

A large number of hunters have had their fingers burnt booking "cheap" packages, which rarely proceed as promised, Generally it is only when things go wrong that the unfortunate hunter who bought the tour first realises what the difference between a good Danish travel agency - with all the security that entails -and a questionable foreign seller, really is.

What we offer our customers is a rather unique level of security. Our experienced staff really know our destinations and can provide highly qualified advice tailored to the customer's individual requirements. If you book your hunting tour through us you also have a guarantee against the unlikely event of bankruptcy through the Danish Travel Guarantee Fund. Our long standing membership of the Danish Travel Agency Association is also a guarantee for professional service throughout all the proceedings that a hunting tour entails - also in the event of something not going quite as planned. As one of our customers you can expect around the clock support, via our emergency hotline, in the event of anything at all going wrong.
