HIGHLIGHTS & DESCRIPTION

Roebuck Hunting in Oxfordshire

Overview

We have a rare access to a formidable district of 20.000 ha. just south of Oxford. This area offers really strong roebucks.

Annually between 75-100 bucks are taken in this district, around half of which are medals, and as many as 15-20 of them being of gold medal standard! In other words it really is a medal winning district.

The price for the hunt and stay may seem a bit excessive, but this is very much compensated for by very reasonable trophy prices. A 500g buck costs only around EUR 2.600,-

Due to very strict weapons regulations in England we strongly recommend renting a rifle (good quality!) at the area. The rules for transportation and storage of weapons are almost impossible to comply with.

The hunt is typically 1: 1 in this area to optimize the chance of trophies. The hunter must also be aware that hunting, in this area, primarily takes the form of lying-in-wait, much more than stalking.

This hunting area is for the hunter who wants to get the rare roe buck trophy!

HIGHLIGHTS

- Good roebuck district of some 20,000 hectares
- Very beautiful countryside
- The hunting is typically 1:1 to optimize your chance of a trophy
- Around 90-150 bucks are shot annually, of which around half are of medal winning standard and as many as 15 -20 achieve gold medals!

HUNTING AREA Oxford

In Oxfordshire we have access to a good roebuck district of some 20,000 ha. just to the south of Oxford itself. Every year around 75-100 bucks are taken here, around half of which are of medal winning standard, with as many as 15-20 gold medals amongst them! In other words it a great place to hunt for a medal winning trophy.

Typically hunting is guided 1:1 in this district to optimize the chance of a trophy. Hunters should take note that hunting in this district is primarily carried out as lying in wait, so if you dream of stalking your way to a medal winning trophy, this is not the ideal district.

This district is perfect for hunters whose goal is to shoot the trophy of their dreams!

About us

Limpopo & Diana Hunting Tours

Limpopo & Diana Hunting Tours Limpopo Travel and Diana Hunting Tours – which today are one and the same company - are built on more than four decades of experience in the hunting travel industry. Diana Hunting tours was founded in Svendborg back in 1974 by the internationally known figure in the hunting tour industry, Jan Krossteig, who today remains shareholder and chairman of the concern.

Over the years the company has grown into the world's largest hunting travel office, with hunting partners in more than 40 countries and customers from around the world. This has only been possible because of the strength of our customers faith in our company, our partners and the service we provide. We take great pride in the fact that a significant number of our customers are "regulars" you not only travel with us frequently, but also bring with them new customers into our business.

The hunting travel market has never been as chaotic as it is at present. There have always been a mass of small and medium sized agencies trading on the market, but in recent years the rise of the internet has really opened up the market for direct booking and packages sold by "agents" of more or less transparent character and by agencies based abroad.

A large number of hunters have had their fingers burnt booking "cheap" packages, which rarely proceed as promised. Generally it is only when things go wrong that the unfortunate hunter who bought the tour first realises what the difference between a good Danish travel agency - with all the security that entails - and a questionable foreign seller, really is.

What we offer our customers is a rather unique level of security. Our experienced staff really know our destinations and can provide highly qualified advice tailored to the customer's individual requirements. If you book your hunting tour through us you also have a guarantee against the unlikely event of bankruptcy through the Danish Travel Guarantee Fund. Our long standing membership of the Danish Travel Agency Association is also a guarantee for professional service throughout all the proceedings that a hunting tour entails - also in the event of something not going quite as planned. As one of our customers you can expect around the clock support, via our emergency hotline, in the event of anything at all going wrong.
