Spot-and-Stalk Hunt

HIGHLIGHTS & DESCRIPTION

Roebuck Hunt in Romania

Overview

Roebuck hunting in Romania is a story in itself. Here it is possible to set yourself just the level of challenge that you desire.

The hunting takes place as "Spot and Stalk", which involves you and your guide stalking through the beautiful terrain trying to see if you can find a good roebuck and take it by surprise.

The animals that you will be given the chance of shooting are outstanding, and it is often possible to bag a fully mature buck of over 5 years of age.

There is a very selective shooting policy, which with the low quotas that each district is assigned, ensures that many medal winning trophies are produced (for example: a district of 8,500ha will have a quota of 24 bucks = 1 buck per 350ha. - and this is not done because there aren't many roe deer in the area). Therefore if you have the desire to bag a roebuck of the very highest calibre - then you must visit Romania. The best time to find one of the very big bucks is just after the season opening.

Season: 1/5 - 15/9

Best: the first 14 days of the season and during the rut, which is typically at the end of July and the beginning of August.

HIGHLIGHTS

- You can decide yourself the degree of challenge
- The hunt is carried out as "spot and stalk"
- Selective shooting policy
- Medal winning trophies often taken

ACCOMMODATION Transylvania

One of our priorities is to provide accommodation for our hunters in single rooms, unless otherwise requested, and typically we can arrange just that. Typically our hunters will stay in a small, cosy pension or in a hunting lodge. Both types of accommodation will be equipped with all necessary facilities and will be situated in, or close to the hunting district itself, to ensure the best possible service for our hunters. On some of the districts in this region it is possible to upgrade your standard of accommodation, to stay in a room in a palatial manor house - on payment of a supplement.

Full board is included in the price of all our tours to Romania.

HUNTING AREA Transylvanien, Roebuck

Our districts is mainly situated in the central part of Romania, but we also have acces to areas - within a driving range of a few hours from Bucharest.

All of our districts are a minimum of 7.500 Ha in size, and they are primarily placed in lower farming terrain. On the farming terrain there are crops such as corn, sunflowers and wheat nontheless the large meadows, where the fallow stags enjoys to fourage.

The districts are often slightly hilly with forestlands and hedgerows which makes the perfect habitat for the fallow stags to live. Those exact same districts makes a spectacular scenario for the hunter to stalk! Against a miner payment (made locally), horse-carriage throughout the hunt can be arranged.

About us

Limpopo & Diana Hunting Tours

Limpopo & Diana Hunting Tours Limpopo Travel and Diana Hunting Tours – which today are one and the same company - are built on more than four decades of experience in the hunting travel industry. Diana Hunting tours was founded in Svendborg back in 1974 by the internationally known figure in the hunting tour industry, Jan Krössteig, who today remains shareholder and chairman of the concern.

Over the years the company has grown into the world's largest hunting travel office, with hunting partners in more than 40 counties and customers from around the world. This has only been possible because of the strength of our customers faith in our company, our partners and the service we provide. We take great pride in the fact that a significant number of our customers are "regulars" you not only travel with us frequently, but also bring with then new customers into our business.

The hunting travel market has never been as chaotic as it is at present. There have always been a mass of smalland medium sized agencies trading on the market, but in recent years the rise of the internet has really opened up the market for direct booking and packages sold by "agents" of more or less transparent character and by agencies based abroad.

A large number of hunters have had their fingers burnt booking "cheap" packages, which rarely proceed as promised, Generally it is only when things go wrong that the unfortunate hunter who bought the tour first realises what the difference between a good Danish travel agency - with all the security that entails -and a questionable foreign seller, really is.

What we offer our customers is a rather unique level of security. Our experienced staff really know our destinations and can provide highly qualified advice tailored to the customer's individual requirements. If you book your hunting tour through us you also have a guarantee against the unlikely event of bankruptcy through the Danish Travel Guarantee Fund. Our long standing membership of the Danish Travel Agency Association is also a guarantee for professional service throughout all the proceedings that a hunting tour entails - also in the event of something not going quite as planned. As one of our customers you can expect around the clock support, via our emergency hotline, in the event of anything at all going wrong.
