HIGHLIGHTS & DESCRIPTION

Stag Hunt in Hungary (Fixed Price upp to 7...

Overview

Since 2012 we have had an exclusive agreement with a big state hunting district. of 7.000 ha., in north western Hungary. Here you can find stags of up to 7 kg trophy weight at a fixed low price. The hunt of course takes place in the open countryside in this huge district!

We have over the years had fantastic results, amongst others a group of three hunters who all shot a stag between 6 and 7 kg. If you don't manage to shoot (or wound) a stag, you will receive a sizeable refund.

In Hungary, unlike most other east european hunting destinations, you don't need to worry about a huge extra bill if you shoot a trophy bigger than the size agreed.

If you follow the guides recommendations, it is actually the districts responsibility if the guide gives you a shot at a stag that has is outside +/- 15% of the agreed size.

If the trophy is outside of this margin you can simply leave it with the district without paying. It does not need to cost a fortune to make your Hungarian hunting dreams come true.

HIGHLIGHTS

- Large state owned district of 7,000 hectares
- Good population of red deer, fallow deer and wild boar as well as mouflon in the district
- High rate of success
- Possibility of huge stags of up to 7kg

About us

Limpopo & Diana Hunting Tours

Limpopo & Diana Hunting Tours Limpopo Travel and Diana Hunting Tours – which today are one and the same company - are built on more than four decades of experience in the hunting travel industry. Diana Hunting tours was founded in Svendborg back in 1974 by the internationally known figure in the hunting tour industry, Jan Krossteig, who today remains shareholder and chairman of the concern.

Over the years the company has grown into the world's largest hunting travel office, with hunting partners in more than 40 countries and customers from around the world. This has only been possible because of the strength of our customers faith in our company, our partners and the service we provide. We take great pride in the fact that a significant number of our customers are "regulars" you not only travel with us frequently, but also bring with them new customers into our business.

The hunting travel market has never been as chaotic as it is at present. There have always been a mass of small and medium sized agencies trading on the market, but in recent years the rise of the internet has really opened up the market for direct booking and packages sold by "agents" of more or less transparent character and by agencies based abroad.

A large number of hunters have had their fingers burnt booking "cheap" packages, which rarely proceed as promised. Generally it is only when things go wrong that the unfortunate hunter who bought the tour first realises what the difference between a good Danish travel agency - with all the security that entails - and a questionable foreign seller, really is.

What we offer our customers is a rather unique level of security. Our experienced staff really know our destinations and can provide highly qualified advice tailored to the customer's individual requirements. If you book your hunting tour through us you also have a guarantee against the unlikely event of bankruptcy through the Danish Travel Guarantee Fund. Our long standing membership of the Danish Travel Agency Association is also a guarantee for professional service throughout all the proceedings that a hunting tour entails - also in the event of something not going quite as planned. As one of our customers you can expect around the clock support, via our emergency hotline, in the event of anything at all going wrong.
