Hunt for Sika Stag in Dorchester

Overview

This is a hunt for sika stags in a beautiful part of southern England near Dorchester. There is the possibility of shooting a very good stag in this fertile hunting district.

Our hunters stay with the hunt manager and his wife. Accommodation is provided in an annex off their private house and includes half board, with the hunt manager and his wife preparing wonderful meals for our hunters during their stay. A big advantage in staying here is that you are close to those responsible for the hunting, and it is easy to strike up a fruitful dialog about your hunt.

The districts hunt manager has a wealth of experience in hunting sika stags, and it is very important to him that the hunt is carried out professionally and that our hunters enjoy hunting under the most optimal conditions possible.

The hunt itself mainly takes place on a number of large estates with a combined area of circa. 4-5,000 ha. Most of the hunting districts lie close to the hunters accommodation, and some of them can be reached by car within 15 to 20. Annually around 12-15 large, medal-class sika stags are shot here, the hunt manager primarily selecting sika stags over 5 years of age.

The district employs 3 gamekeepers.

About us

Limpopo & Diana Hunting Tours

Limpopo & Diana Hunting Tours Limpopo Travel and Diana Hunting Tours – which today are one and the same company - are built on more than four decades of experience in the hunting travel industry. Diana Hunting tours was founded in Svendborg back in 1974 by the internationally known figure in the hunting tour industry, Jan Krössteig, who today remains shareholder and chairman of the concern.

Over the years the company has grown into the world’s largest hunting travel office, with hunting partners in more than 40 counties and customers from around the world. This has only been possible because of the strength of our customers faith in our company, our partners and the service we provide. We take great pride in the fact that a significant number of our customers are “regulars” you not only travel with us frequently, but also bring with them new customers into our business.

The hunting travel market has never been as chaotic as it is at present. There have always been a mass of small and medium sized agencies trading on the market, but in recent years the rise of the internet has really opened up the market for direct booking and packages sold by “agents” of more or less transparent character and by agencies based abroad.

A large number of hunters have had their fingers burnt booking “cheap” packages, which rarely proceed as promised, Generally it is only when things go wrong that the unfortunate hunter who bought the tour first realises what the difference between a good Danish travel agency - with all the security that entails - and a questionable foreign seller, really is.

What we offer our customers is a rather unique level of security. Our experienced staff really know our destinations and can provide highly qualified advice tailored to the customer’s individual requirements. If you book your hunting tour through us you also have a guarantee against the unlikely event of bankruptcy through the Danish Travel Guarantee Fund. Our long standing membership of the Danish Travel Agency Association is also a guarantee for professional service throughout all the proceedings that a hunting tour entails - also in the event of something not going quite as planned. As one of our customers you can expect around the clock support, via our emergency hotline, in the event of anything at all going wrong.
